Signature drink cuppings

Incredible session thank you so much

A lot of fun and good opportunity for learning about coffee!!

Coffee mind has done an experiment back in 13 and brazil actually has more phosphoric acid than kenya. Kenya just has more perceived acid because of its flavour profile

Enjoyed!!

Beginner cupping sessions !

Always such an amazing night. So much fun and lots of laughs. Thanks so much guys

Espresso of the same coffees side by side?

It was fun and I could learn a lot 😊

Signature drink cuppings

Martin and Charles to organise a Barista swap shop

Please more often!! Thank you heaps!!!

It was a great opportunity. Thanks for organising the great event!! Thanks for being friendly and amazing.

More coffees and questions it was so fun!

It was a great opportunity! Thanks for organising such an amazing event! It was fun!

This was such a great way to learn and I've personally found that doing it this way, I have had a better chance at retaining it every time! So thank you so much
